**Beginners' Watercolours £95.00**

**Tuesdays 10.30am - 12.30pm for 6 weeks from May 7th until June 11th  
Brook Street Business Centre, Wivenhoe CO7 9DP**

Join me for a relaxed and casual  
6 week beginners' and improvers'  
watercolour course.

We will explore how watercolour is  
used in laying washes, colour mixing,  
tonal values, wet and dry painting and  
all the techniques required to give  
you confidence to produce  
watercolour pictures to be proud of.

Using photographs as a reference  
you will learn how to transfer an  
image to your paper and apply the  
techniques learnt.

By the end of the 6 weeks you will  
be able to paint various subjects  
with confidence.
