Materials guide list

Always buy the best you can afford - photographs and paper are supplied

- Soft pastels, as many colours as you can manage (Unison/Jaxell/Sennelier or similar - not oil pastels)
- Soft pastel pencils - CarbOthello is my choice, as many colours as you can manage but definitely black and white, these are needed for detail
- 2B Graphite pencil
- 12" ruler
- Pencil eraser
- Few sheets of kitchen roll

Join me for a relaxed and casual day introducing you to black paper. During the morning you will get used to how the pencils and pastels work on black, then using photographs as a reference you will learn how to transfer an image to your paper and apply the techniques learnt. Through the day we will be using two different black papers to create illustrations using mainly white pencils and pastels, with the odd bit of colour thrown in.

By the end of the day you will be confident working on a black background and be well on the way to creating two stunning pieces of work.
