Botanical Art £55.00

Saturday 26th October 2019 10.30am - 4pm - bring own lunch
Brook Street Business Centre, Wivenhoe CO7 9DP

Join me for a relaxed and casual day introducing you to botanical drawing and painting.

Over the day you will start with drawing simple shapes with graphite pencils, doing exercises including

hatching, shading and tonal values. Then using photographs (and still life) as a reference we will transfer an image to your paper and then you can either just continue in pencil and produce a tonal illustration, use waterproof pen to do a line drawing or for the full monty, add watercolour! Only you can decide how far you would like to go.

You may not finish your picture but you will have all the knowledge to finish it at home.
