Jacqueline South

Drawing Portraits £95.00

**Tuesdays 10.30am - 12.30pm for 6 weeks from Nov 5th until Dec 10th
Brook Street Business Centre, Wivenhoe CO7 9DP**

Materials guide list

Always buy the best you can afford - photographs are supplied

- Drawing board approximately 20" x 16"
- A3 cartridge paper/pad for sketching and drawing
- Graphite pencils: HB, 2B, 4B
- 12" ruler
- Pencil sharpener
- Putty rubber
- Masking tape

If you have a good quality A4 photocopy of a portrait you would like to draw, please bring it along and we can try and use that as your reference. Please make sure this is a copy as we may be drawing on top of the reference.

Join me for a relaxed and casual 6 week beginners' and improvers' course learning how to draw people in pencil.

Over the weeks you will learn how to use graphite pencils and what they can do. We will do exercises including hatching, shading and tonal values.

Using photographs as a reference you will learn how to transfer images onto your paper and apply the techniques learnt to work on your pencil illustration. We will move on to adding features, shade in texture and complete with detail.

This course is for people who would like to have fun with pencil!
