Pen and Watercolour £90.00

**Thursdays 14.30pm - 16.30pm for 6 weeks from 9th June - 14th July
Elmstead Market Community Centre, Elmstead Market, CO7 7ET**

Join me for a 6 week course introducing you to pen and watercolour. We will explore how to use waterproof ink, learn ways to create texture and tonal values in black, produce simple line drawings and finally add colour to your pictures.

Using photographs as a reference you will learn how to transfer an image to your paper and apply the techniques learnt. By the end of the course you will be confident of how to produce pen and watercolour illustrations.

Refunds will only be issued if Jacqueline is unable to take the class or your paid space can be taken up by another student on the waiting list if the class is full.
