**Jacqueline South**

**Working with Soft Pastels £90.00**

**Thursdays 14.30pm - 16.30pm for 6 weeks from 15th September - 20th October  
Elmstead Market Community Centre, Elmstead Market, CO7 7ET**

Join me for a relaxed and casual course introducing you to soft pastels.

Over the weeks you will learn how to use your soft pastels and explore how pastel works on paper, learning different techniques including how to achieve a smooth coverage, colour mixing and detail work.

Using photographs as references we will transfer images to your paper and apply the techniques learnt to work on finished pastel pictures, using your pencils to add all those lovely fine details to finish.

*Refunds will only be issued if Jacqueline is unable to take the class or your paid space can be taken up by another student on the waiting list if the class is full.*
